

**Quality Products and Services,
Delivered On Time,
at Competitive Prices**

Kingston Associates has your value solution. We represent a select group of companies who produce component parts and basic materials for the OEM Wood Products Industry, and the dealers and distributors who service this market.

We offer custom and standard line products, distribution and container programs, global sourcing, marketing, and product development services.

We strive to bring the best combination of Quality, Service, and Value to our clients.

It is our mission to deliver quality components, on time, and at competitive prices.

Give us the opportunity to earn your business. Your satisfaction is our guarantee.
